PTA Membership Form

Please join East Ridge PTA! Just fill out the form below, along with your check made out to **East Ridge PTA**, and return it with your youngest child. PTA membership is renewed on an annual basis. The membership year begins and ends in October.

Please note the following:

- For each member the PTA submits a total of \$8.50 from your membership dues to the National PTA (\$1.75), State PTA (\$5.25) and the Northshore Council PTA (\$1.50). The balance of your membership fee goes directly to East Ridge PTA. You also have the opportunity of making a one-time pledge, 100% of which goes to support the events and programs for our children at East Ridge.
- East Ridge PTA is a non-profit section 501(c)(3) corporation so your membership and pledge are tax deductible.
- If your employer has a matching gift program please ask them for the paperwork so the PTA can receive a matching contribution. This way your contribution can be doubled!
